Notes:

1. All Clubs on this list are COED.
2. Clubs may meet in-person, online, or hybrid (both). Many BI Chapters have *BetterInvesting Model Investment Clubs*. Go to a State > Chapter's Home page on the [BI Chapters list](#). We suggest you visit a half-dozen Model Investment Clubs to see how BI model clubs are run, 1-3 times each. Be aware of time zones when registering.
3. If you are a BI member and you are interested in joining a club local to you, see the Investment Club Connect page on the BI website: Login to the BI website, and from the Home page, go to *Investment Clubs > Investment Club Connect* to submit an application. You can request the type of club you want to join – men/women only, or coed.
